NATIONAL INFORMATION TECHNOLOGY DEVELOPMENT AGENCY

FEDERAL MINISTRY OF COMMUNICATIONS

28, Port Harcourt Crescent, Off Gimbiya Street, Area 11, Garki, Abuja.

NITDA SCHOLARSHIP SCHEME 2017/2018

The National Information Technology Development Agency (NITDA), has as its mandate to develop and regulate Information Technology in Nigeria. Developing and regulating IT will support in transforming Nigeria into an IT driven economy for global competiveness.

The Agency has since 2010 established a scholarship scheme for Master's and Doctoral Degree in relevant areas of Information Technology (IT) and ICT Law obtainable in Universities in Nigeria.

Minimum requirement.

MSC: Holders of First Class or Second Class (Upper) Honours Bachelor's degree, (B.Sc) in Information Technology related fields and Law.

Criteria:

The scholarship award is strictly based on merit and is equally distributed between the 36 States and FCT.

Duration:

The Masters programme will run for 12 – 18 months.

All eligible candidates that are interested should log on to scholarship.nitda.gov.ng to register. The registration period is Six (6) weeks from the date of this publication.

A comprehensive Aptitude test will be conducted to determine successful candidates for the award. Only candidates found eligible will be invited. Furthermore, there will be interview (which includes supplementary test, verification of credentials & character evaluation) for best performing candidates.
